

CDC/ATSDR Statistical Symposium Schedule At a Glance

Monday, January 22, 2001

8:00 – 4:30	Short Course: Introduction to Mixed Models for Longitudinal Studies
--------------------	--

Tuesday, January 23, 2001

8:15 – 8:30	Welcome and Introductory Remarks		
8:30 – 10:40	Invited Session 1: Computation-Intensive Methods and Data Exploration		
10:40 – 11:00	Break		
11:00 – 12:30	Contributed Session 1		
	Missing Data	Bayesian and Hierarchical Methods	General Estimation
12:30 – 2:00	Lunch and Poster Session 1		
2:00 – 3:30	Contributed Session 2		
	Statistical Computation	Longitudinal Studies	Data Collection and Management
3:30 – 4:00	Break		
4:00 – 5:30	Invited Session 2: Design and Analysis of Complex Surveys		

Wednesday, January 24, 2001

8:30 – 10:40	Invited Session 3: Modeling Complex Data		
10:40 – 11:00	Break		
11:00 – 12:30	Contributed Session 3		
	Massive Data Sets	Mixed Models	Generalized Linear Models
12:30 – 2:00	Lunch and Poster Session 2		
2:00 – 3:30	Invited Session 4: Methods for Missing Data		
3:30 – 4:00	Closing Remarks
